

Sturtevant Depot Parking Passes Available!!!

The Village of Sturtevant is now Offering a Monthly Parking Pass as a way to make it easier for **regular commuters** to enter the lot and to save money. Parking Pass Holders will not have to insert cash or cards into the machine. One simply waves the pass in front of the reader and the gate opens.

The **Monthly Parking Pass** will be due on the first of the month. The village will not send out payment reminders or invoices. A **\$20.00 deposit** will be required along with the first payment. This deposit will be forfeited if the pass is lost or the monthly payment is not made by the first of the month. In either case, the card will be de-activated and an additional \$20.00 will be required to obtain a new activated card. In order to get the deposit returned, one must send an activated pass back to the village by mail postmarked by the first of the month or deliver it to the Village Hall before the first of the month. Sales Tax is included in the price.
