

RESOLUTION 2014-14

3-11-14

RESOLUTION BY THE STORM AND WASTERWATER COMMITTEE FOR THE ADOPTION OF THE PIKE RIVER WATERSHED-BASED PLAN

WHEREAS, The Village Board of the Village of Sturtevant, Racine County, Wisconsin, do resolve as follows:

WHEREAS, Applied Ecological Services, under contract with the Root-Pike Watershed Initiative Network, was given the function duty of creating a watershed- based plan for the Pike River watershed; and

WHEREAS, a Pike River Advisory Group was formed, consisting of public officials, professionals and citizens from concerned parties within the Pike River watershed to assist Applied Ecological Services with the facilitation of the watershed- based plan creation; and

WHEREAS, the Village of Sturtevant has supported, participated in, and generally concurred with the regional planning and formulation of the Plan undertaken by Applied Ecological Services, and believes that the Pike River Watershed-Based Plan prepared by Applied Ecological Services is a sound and valuable guide to water quality management in the Pike River watershed, and the adoption of such plan by the Village of Sturtevant will assure a common understanding by the parties and agencies of government concerned and enable these parties and agencies of government to program the necessary plan implementation work; and

WHEREAS, the Environmental Protection Agency has officially recognized the Pike River Watershed-Based Plan as meetings all of its requirements; and

NOW THEREFORE, BE IT RESOLVED that the Village of Sturtevant Board of Trustees hereby adopts the Pike River Watershed-Based Plan as a guide for regional and community water quality management within the Pike River watershed.

Adopted by the Village Board of the Village of Sturtevant, Racine County, Wisconsin, This 18th day of March, 2014.
