NEWS RELEASE

FOR IMMEDIATE RELEASE

March 5, 2013

### Sturtevant Announces Changes to Trash and Recycling Collection

Sturtevant Village President Steve Jansen announced today that the trash provider for the Village of Sturtevant, Advance Disposal, notified the village that they will be delivering new recycling carts to residents March 6-8. With the new recycling bins, residents will no longer have to sort recyclables. All recyclable materials can be combined in the new bin. Advance will not be collecting the old recycling bins. Residents can keep them for other uses if they desire or place them in the new recycling cart for disposal.

In conjunction with the delivery of the new recycling bins, Advance Disposal has decided to change trash and recycling dates for Sturtevant residents. Starting the week of March 11, 2013, all village residents west of 90<sup>th</sup> Street will have trash pick-up on Thursdays and residents east of 90<sup>th</sup> Street will have trash pick-up on Fridays. Recycling collection will take place every other week on trash pick-up date.

Residents will receive a flyer along with the recycling cart which includes a new trash collection calendar and a listing of recyclable materials. Residents are directed to contact to Advance Disposal at (262) 679-0860 with any questions regarding the changes.
