12-16-08

RESOLUTION BY THE PUBLIC WORKS AND CAPITAL IMPROVEMENTS COMMITTEE AUTHORIZING THE PURCHASE OF A FRONT END LOADER AT A COST OF \$132,000

WHEREAS, the Village Board has determined that its current Front End Loader has deteriorated to the point that further repairs are not cost effective and that it would be in the best interests of the Village to purchase a new front end loader at a cost not to exceed \$132,000; and

WHEREAS, the Village is going to obtain funds from bonding in 2009 and these bond funds were expected to provide funds for needed Public Works equipment;

WHEREAS, the funds necessary for the purchase of said front end loader shall come from funds borrowed as part of the future 2009 bond issue; and

WHEREAS, the Village Board has passed a reimbursement resolution indicating that the Village will reimburse itself from the bond proceeds for this purchase.

NOW THEREFORE, the Village Board of the Village of Sturtevant, Racine County, Wisconsin does hereby resolve:

1. That the purchase of a Case 621E Wheel Loader from Miller-Bradford & Risberg, as set forth in Exhibit A which is attached hereto and incorporated herein, and safety lights, at total cost not to exceed \$132,000 is authorized and approved.
2. That the Village President and the Village Clerk are authorized to execute any sales contracts or other documents necessary to carry out the intent of this resolution.
