

RESOLUTION 2013-30

5-15-13

RESOLUTION BY THE PUBLIC WORKS AND CAPITAL IMPROVEMENTS COMMITTEE AUTHORIZING THE CREATION OF TURN LANES ON NORTHBOUND AND SOUTHBOUND 90TH STREET AND THE SOLICITATION OF BIDS IN REGARD TO THE PAVEMENT MARKINGS AND STRIPING OF THE LANES

WHEREAS, there are no striped left turn lanes for northbound and southbound 90th Street traffic at the intersection of Highway 11.

WHEREAS, the intersections of northbound and southbound 90th Street and Highway 11 are heavy traffic areas; and

WHEREAS, the Village Board believes that the pavement marking and striping of the turn lanes would facilitate controlled left turn movements and reduce the probability of accidents occurring as opposed to no left turn lane; and

WHEREAS, at this time the Village would like to proceed to solicit bids but does not want to authorize any contracts at this time.

NOW THEREFORE, the Village Board of the Village of Sturtevant, Racine County, Wisconsin does hereby resolve:

1. That the Village Administrator, the Village Engineer and the Public Works Director are authorized to proceed with the solicitation of bids in regard to the pavement marking and striping of the turn lanes on northbound and southbound 90th at the intersection of Highway 11.
2. That the pavement marking and striping of turning lanes project is generally described in Exhibit A which is attached hereto and incorporated herein.
3. That the awarding of contracts for this project is not authorized at this time and further Village Board authorization would be required before any contracts can be awarded for this project.

Adopted by the Village Board of the Village of Sturtevant, Racine County, Wisconsin, this 21st day of May, 2013.

Village of Sturtevant
