

STURTEVANT YOUTH BASEBALL ASSOCIATION

T-BALL, COACH-PITCH,
SOFTBALL & BASEBALL
LEAGUES

Sturtevant Youth Baseball Association is a summer baseball and softball youth recreational sports league. Today, we have more than 200+ youth playing summer league ball.

Our **T-Ball Program** is designed for boys and girls ages 4-6 who are just beginning to learn the skills of baseball/softball. Games are designed to be fun for all and are only 1 hour in length.

Our **Coach-Pitch Program** is a coed league for 6-8 year olds who are ready to hit from a pitcher. The program further develops their baseball/softball skills in the areas of fielding, batting, base-running, and sportsmanship. Games are more competitive than T-Ball, but are still designed to be fun for all.

The **Girls Fast-Pitch Softball Program** offers players a competitive opportunity to develop and enhance their playing skills against other community leagues in Racine County. Three different leagues are offered based on age (up to age 15) and skill level of the players.

The **Boys Baseball Program** offers players an opportunity to compete against other community teams throughout Racine County. As with the softball program there are three different leagues available, depending on the player's age (up to age 15) and skills. However the boys do have tryouts and drafts to determine their league and team placement.

If you have a child who would like to join in on the fun and develop the skills of a baseball/softball player, contact one of the members list below. Our registration will begin in February, so be looking for our announcements on this website and local newspapers.
