

Employment Opportunity

Engineer / Director of Public Works – Full-Time

The Village of Sturtevant is a growing community of just under 7,000 residents, with a strong business base and climate. Sturtevant is conveniently located along the corridors of Highways 11 and 20, about two miles east of Interstate 94. The Village of Sturtevant, an equal opportunity employer, is seeking a qualified person for the position of Village Engineer / Director of Public Works. Sturtevant seeks an experienced and knowledgeable leader to manage a broad range of public works services including, but not limited to, engineering, streets, wastewater collection, storm water, parks maintenance, and forestry. The Department consists of four full-time employees and one seasonal employee. This position is appointed by the Village Board and reports to the Village Administrator. A registered Professional Engineer, P.E. is required; 5 years of civil engineering, as well as managerial and supervisory experience is required. The candidate must possess excellent leadership, management, communication, and problem solving skills. The candidate must be able to work with elected officials, other village staff, and the community. Attendance at various village meetings is required. The salary range is \$80,000 - \$95,000 DOQ plus benefits. Resumes should be sent to the Village Administrator at the Sturtevant Village Hall 2801-89th Street, Sturtevant, WI, 53177 by mail or in person during regular business hours or by email to villageadmin@sturtevant-wi.gov and will be accepted through the close of business on Tuesday, November 18, 2014.
