Re: Furniture for Records Department

I would like to purchase a desk / workstation for the Sturtevant PD Records Department to get them moved into the workspace near the counter. This set-up will give them a professional looking workspace as well as provide additional, needed file space.

The price for the entire configuration (see attached) would be \$1502.28 (shipping included). This is much lower than the \$2500.00 originally discussed, because K-Log will give us the 3+ price and they had a 30% coupon on-line saving \$750.00. This price is good for 45 days. They will ship on PO and bill us.

Checking with the Better Business Bureau K-Log has an A+ rating and is located in Zion, Illinois.

Let me know if you have any questions or concerns.
