

RESOLUTION 2010-48

(6-9-10)

RESOLUTION BY THE PUBLIC WORKS AND CAPITAL IMPROVEMENTS COMMITTEE AUTHORIZING AWARDDING A CONTRACT FOR THE WESTMINSTER DRIVE PAVING AND SUMP PUMP LATERAL CONNECTIONS PROJECT

WHEREAS, the Village of Sturtevant received bids for the Westminster Repaving Project (Kennedy Drive to 86th St) and the Sump Pump Remediation Project that has been previously authorized by Resolution 2010-38; and

WHEREAS, at this time the Village would like to proceed with said improvements ; and

WHEREAS, Earth X, LLC of Racine, Wisconsin is found to be the lowest responsible responsive bidder.

NOW THEREFORE, the Village Board of the Village of Sturtevant, Racine County, Wisconsin does hereby resolve:

1. That the awarding of a contract to Earth X, LLC of Racine, Wisconsin, in the amount of \$101,695.00 for Westminster Repaving Project (Kennedy Drive to 86th St) and the Sump Pump Remediation Project is authorized and approved and the Village President and the Village Clerk are authorized to sign any agreements or other documents necessary to carry out the intent of this resolution.
2. That the work is generally described in Exhibit A which is attached hereto and incorporated herein.
3. That the funds for this road repaving portion of the projects (approximately \$48,000) shall be taken from account # 404-57331-820 in Fund 404.
4. That the funds for the sump pump and storm water related portions of the projects (approximately \$72,000) shall be taken from account #221-53440-210 in Fund 221.
5. That the total costs for the project shall not exceed \$ 130,000 which includes engineering, legal and administration and contingencies. That the Village Administrator is authorized to execute change orders provided that the total cost of the project does not exceed \$130,000.00.

Adopted by the Village Board of the Village of Sturtevant, Racine County, Wisconsin, this 15th day of June, 2010.

EXHIBIT A
RESOLUTION 2010-48
Westminster Drive Paving and Sump Lateral Connections

Project Descriptions:

Westminster Repaving:

The project shall consist of installing sump pump discharge mains and sump pump laterals; pulverize and relay asphaltic pavement; remove and replace concrete curb and gutter; adjust and/or replace manhole frames; place pavement marking along Westminster Drive from Kennedy Drive east to 86th Street.

Sump Pump / Storm Water Remediation:

The project shall consist of installing sump pump discharge mains and sump pump laterals at various locations within the Village to mitigate the icing conditions created by sump pumps discharging to the roadway during the winter months. See the attached Exhibit B depicting the locations of these sump laterals.

Project Budget:

Estimated Construction Cost = \$ 96,000

Contingencies = \$ 11,200

Eng. Legal & Administrative = \$ 12,800

=====

Estimated Total Project Cost = \$120,000
