

RESOLUTION 2020-28**RESOLUTION APPROVING AND RATIFYING ADDITIONAL WORK
FOR 2020 VILLAGE PAVING PROGRAM**

WHEREAS, on March 3, 2020, via Resolution 2020-8, the Village Board authorized entering a contract with Asphalt Contractors, Inc. ("Contractor"), for the completion of the Village's 2020 Paving Program; and,

WHEREAS, the contract was awarded to Contractor as it was determined to be the lowest responsible bidder and offered the Village the most favorable price per cubic yard on asphalt and other material costs used in the project; and,

WHEREAS, shortly after award of the contract, additional construction work was added to the Paving Program at the same costs via Contract Change Order #1, a copy of which is attached hereto; and,

WHEREAS, Change Order #1 significantly increased the scope of the Paving Program beyond what had been approved by the Board; and,

WHEREAS, much of the work comprising Change Order #1 has already been completed and a pay request for such work, Pay Request #1, also attached hereto, has now also been submitted to the Village, and recommended for payment by the Village's construction engineer; and,

WHEREAS, the Village Board has reviewed the scope of the work underlying Change Order #1, and the cost for such work, both as proposed in Change Order #1 and as submitted in Pay Request #1, and has determined that the scope is appropriate and necessary and that it utilizes the beneficial pricing of the original bid and represents an appropriate expenditure of Village funds.

NOW THEREFORE, the Village Board of the Village of Sturtevant, Racine County, Wisconsin does hereby resolve:

1. That the increased scope of work for Change Order #1 is approved; and,
2. That the Village's prior authorization of such work is hereby ratified; and,
3. That, as necessary, the Village shall arrange to amend the budget for 2020 so as to reflect the increased cost of Change Order #1.

Adopted by the Village Board of the Village of Sturtevant, Racine County, Wisconsin, this 2nd day of June, 2020.
