Agreement for Warning System Annual Inspection & Preventative Maintenance

Creating a contract between Emergency Communication Systems and our customers instills confidence in the communities that we serve, knowing the warning system equipment is being maintained, tested, and held to a high standard. Service contracts for our customers allows them to ensure proper maintenance is being done on their equipment for the agreed upon length of time, eliminating any need to further search for certified service vendors or additional quotes. Service contracts allow Emergency Communication Systems to keep up to date records of equipment, ensure proper operation to protect our communities when a threat arises, and provides us with regular checks to ensure the equipment we stand behind is operating at optimal performance.
