## Summary

CCB Technology is pleased to offer a **2 year contract** for IT Managed Services to Village of Sturtevant. This proposal demonstrates how sharply focused CCB Technology is in providing superior outsourced technical services.

These services allow Village of Sturtevant's IT team to leverage CCB Technology as a valued partner for monitoring and management of their IT infrastructure, and as an extension of the organization's ability to deliver technology support to its users. Our managed solution helps your IT department increase service levels while decreasing the cost of managing technology infrastructure.

Please see Appendix A, Section 1 for a list of definitions referenced throughout this document.

## Notes:

CCB Technology is not responsible for any device not listed in the matrix below. Requests for work on unlisted devices are considered out of scope and will be completed at the hourly rate defined in the "Fee Schedule" section of this document.

The pricing listed for this proposal is valid until the expiration date 08/31/2022.

If during the onboarding process our technicians notice items of concern that have the potential to affect the successful implementation of the selected support services, or ongoing management, CCB Technology may require Village of Sturtevant to undergo a formal network/infrastructure assessment. This assessment would fall outside of the scope of the services included in this SOW and would be completed at the hourly rate defined in the "Fee Schedule" section of this document.
